## Hygienic Wall Bracket, Grip Band Module, 82 mm, Lime

The Grip band module is designed for hanging cleaning tools without a hanging hole. Slide the Grip band module onto the supplied double-base/spacer from the left or right side. The Grip module can hold products with a diameter of 25-35 mm. The Grip band module is easy to disassemble for cleaning or replacement.

## **Technical Data**

| Item Number   | 101377                                |
|---|---------------------------------------|
| Holds products between  | 25 - 35 mm                            |
| Material  | Polypropylene TPE<br>Rubber Polyamide |
| Recycling Symbol "5", Polypropylene (PP)                                | No                                    |
| Recycling Symbol "7", Miscellaneous Plastics                            | Yes                                   |
| Complies with (EC) 1935/2004 on food contact materials <sup>1</sup>     | Yes                                   |
| Complies with EU Regulation 2023/2006/EC of Good Manufacturing Practice | Yes                                   |
| Complies with FDA Regulation CFR 21 <sup>1</sup>                        | Yes                                   |
| Complies with UK 2019 No. 704 on food contact materials                 | Yes                                   |
| Complies with REACH Regulation (EC) No. 1907/2006                       | Yes                                   |
| Complies with California Proposition 65                                 | Yes                                   |
| Complies with Halal and Kosher  | Yes                                   |
| PFAS intentionally added  | No                                    |
| Design Registration No.   | EU 008195606-0006,<br>US D977943      |

New equipment should be cleaned, disinfected, sterilised and any labels removed, as appropriate to its intended use, e.g. high risk vs. low risk food production areas, general hospital areas vs. intensive care units, before use.

- 1. See Declaration of Compliance for further details on food contact
- 3. Do not store the product below 0° Celsius.
